

ABDELLAH GUENDOUZI

Nationality: Algerian | (+213) 771640897 | (+213) 664235281 | gabdullah327@gmail.com

Date of birth: 13/04/1986 | **Address 1:** City 774, Housing Units, Building 5B, No. 10, Arzew, Oran – Algeria

Objective

Highly experienced and certified welder with over 14 years in the field, specializing in stick and rod welding. Seeking to apply my extensive skills and expertise in a challenging and rewarding role that values precision, safety, and quality craftsmanship.

Education

- **Qualification Certificate in Welding (All Metals)**

Institution: MERBET BACHIR – Rouiba, Algiers

Level: 2nd year of secondary school

Professional Experience

TOSYALI-ALGERIE

Position: Welder

Duration: 11 June 2023 – Present

- Carry out complex welding tasks on structural and industrial projects.
- Ensure compliance with safety protocols and quality standards.
- Collaborate with project teams to meet tight deadlines and project specifications.

FORAID-ALGERIE

Position: Welder

Duration: 13 January 2022 – 7 June 2023

- Conducted high-quality welding operations for a variety of industrial applications.
- Monitored project progress and maintained safety and quality compliance.
- Assisted in training new welders and supervised team activities.

SOMIZ

Position: Welder

Duration: 11 April 2021 – 31 December 2021

- Specialized in welding and metal fabrication for ongoing construction projects.
- Upheld stringent safety measures and ensured optimal material usage.
- Conducted quality inspections to maintain company standards.

WOOD GROUP SOMIAS*Position: Welder**Duration: 29 June 2017 – 28 February 2021*

- Performed stick and rod welding tasks with a focus on structural integrity.
- Assisted in maintaining equipment and ensuring a safe working environment.
- Played a key role in meeting project timelines and operational goals.

MAINA Construction and Maintenance*Position: Welder**Duration: 10 July 2015 – 6 April 2017*

- Carried out welding operations as part of a dedicated team.
- Ensured adherence to safety regulations and project specifications.
- Supported routine maintenance and equipment checks.

YOKAIS BETATEK SPA*Position: Welder**Duration: 8 April 2015 – 7 July 2015*

- Engaged in welding tasks for various construction projects.
- Ensured projects met quality standards and were completed within the timeframe.

EURL COMINMONTAGE*Position: Welder**Duration: 27 February 2014 – 17 July 2014*

- Performed welding for construction and repair projects.
- Followed detailed instructions and safety protocols for each assignment.

SOMIK SPA*Position: Welder**Duration: 4 September 2013 – 8 October 2013*

- Delivered high-standard welding on large-scale construction projects.
- Maintained detailed records of welding activities and safety checks.

TCE NADJAH*Position: Welder**Duration: 3 March 2013 – 12 April 2013*

- Completed welding tasks as per project requirements.
- Assisted in maintaining a safe and efficient work environment.

ETCE CHERIF*Position: Welder**Duration: 3 October 2011 – 20 December 2011*

- Carried out welding assignments, following specifications precisely.

- Ensured welding was completed in compliance with safety standards.

GTP

Position: Welder

Duration: 31 September 2010 – 30 September 2011

- Assisted with welding for various projects and maintained adherence to safety guidelines.

ORASCOM

Position: Welder

Duration: 29 July 2009 – 18 September 2010

- Conducted welding for structural projects and maintained high standards for safety and quality.

Key Skills

- Expertise in stick and rod welding techniques.
- Ability to read and interpret engineering drawings and blueprints.
- High attention to detail with a focus on quality craftsmanship.
- Strong commitment to safety protocols and workplace safety.
- Effective communication and teamwork abilities.
- Problem-solving and project management capabilities.
- Proficient in equipment maintenance and troubleshooting.
